Balloons symbolize fun and freedom for kids. This is an awareness event for the 668 children who live in Turkey's prisons with their unlawfully arrested parents, whose freedom, happiness and dreams are being stolen. Join us to be a hope of voice for the innocents that are held behind the walls of Turkey's prisons.

**How in the world are babies prisoned?**

Turkey's dictator President Erdogan has systematically been jailing pregnant women as well as women who shortly after giving birth. Their only crime is to attempt to be better human beings, by following the teachings of a man, Fethullah Gulen, whom they understand as having the courage to live a life of principle in a country which tends to reward corruption over morality.
