CREATE AN UNDERSTANDING FOR REFUGEES

TAKE ACTION

**WORLD REFUGEE DAY
JUNE 20TH**

68.5 million individuals have been forcibly displaced worldwide as a result of persecution, conflict, violence or human rights violations. Highest levels of displacement on record. One person becomes displaced every 2 seconds.

Turkey, which increases the number of new refugees in the world. Because of high human rights violation and persecution, thousands of people, as new refugees, escaped from Turkey to Greece and other countries during the last few years.

TAKE ACTION to increase understanding about refugee families from TURKEY who fled from the persecution under Erdogan Regime.
