On Friday, September 27, 2019 the boat carrying desperate people fleeing the persecution in Turkey sank. Seven out of 19 people in the boat passed away.

The Greek media published the news as "The angels escaping from Erdogan, lost their lives in the Aegean Sea" for the unfortunate event.

In Turkey, **278** people died due to not being able to stand the persecution, from torture, having heart attacks and other serious medical conditions, not being allowed to receive treatment or not given their medicine, while fleeing from persecution or by the struggle for survival under difficult conditions.

Pray
for those
who lost their lives
while fleeing from
persecution of Erdogan
regime in **Turkey**
